Dear Fellow Child Advocate:

Here we are, halfway through another successful school year. Since the end of last school year, PCCPTA members have been very busy. We have attended FPTA Leadership Training at Innisbrook, and planned and presented the Annual PTA Workshop in cooperation with the Pinellas County Schools' Department of Communications. We have conducted local unit training sessions and attended the FPTA state convention in Daytona. Our monthly PCCPTA meetings have included valuable advocacy information and mini training programs. We are looking forward to attending The Rally in Tallahassee in mid-March. This rally is an opportunity to let our voices be heard regarding state budget cuts in education. We're going to let our legislators know that these cuts are not acceptable and that lawmakers must identify a new and stable source of revenue. The decisions our legislators make now will have a lasting impact on the future of every child in this state.

Since 1991, donations from Patron Members have enabled us to achieve many goals. These have included providing college scholarships for youth through the Doorways Scholarship Program, providing scholarships to State Leadership Training at Innisbrook to local PTA units, and supporting the National PTA cultural arts Reflections Program.

We invite you to become a Patron Member of Pinellas County Council of PTAs. Your patron donation of \$35 will enable us to continue the successful programs mentioned above. It also will allow PCCPTA to continue to support the mission and objectives of PTA. As a recognized Patron Member of PCCPTA, your name will be listed in our annual handbook and in our newsletter, the County Council Courier, which you will also receive each month.

With your continued support as a Patron Member, we can succeed in our endeavors in the years ahead. Won't you join us in advocating for children?

Sincerely,

Dorinda Tucker
