

The Pinellas Way for *Safe Routes to School*

Please join Pinellas County Schools and transportation safety experts for this day-long conference as we review our K-12 student safety curriculum, preview exciting new programs, and learn about additional community resources. Together, we will promote safety for all students as they travel to and from school for 2010-11!

Component Number: 6005001C

Date: August 4, 2010

Location: Countryside High School
3000 State Rd 580, Clearwater, FL 33761

Time: 8:30 -3:30

Target Audience: Pre K-12 teachers, school-based administrators, and school safety staff (A Trade Day may be earned by instructional staff completing this component.)
